## Select Courses

### Levels for Continuing Education Presentations

- ✚ Basic (B): This level assumes that participants have little information within the areas to be covered. The focus of the activity is a general orientation and increased awareness.
- ✚ Intermediate (I): This level assumes that the participants have a general familiarity with the topic. The focus of the activity is on increased understanding and application. • Advanced (A): This level assumes that participants have thorough familiarity with the topic and focuses on advanced techniques, recent advances, and future directions.
- ✚ Multiple (M): This category indicates that a single level cannot be determined. It is intended for programs in which the instructional level may vary.
- ✚ Student (S): This category indicates sessions specifically for the student conclave portion which is being held concurrently Saturday, November 5th.

### 3 Day Course Friday Nov. 4 – Sunday Nov. 6
